

## **EverPower Code of Ethics**

EverPower, as part of the DMI Group, is committed to ethical conduct, integrity, and responsible business practices.

### **1. Integrity:**

We operate with honesty, transparency, and accountability in all our business dealings.

### **2. Respect:**

We foster a respectful and inclusive environment for employees, partners, and customers.

### **3. Compliance:**

We adhere to all applicable laws and regulations, promoting ethical leadership throughout our operations.

### **4. Sustainability:**

We strive for responsible innovation and sustainability in energy solutions.
